WHAT SHE'S HAVING

11

the smokiness of mezcal and bittersweet caramel notes of Amaro Montenegro are a favorite pairing among bartenders. we've added Cocchi Americano and a touch of lemon for complexity and tartness in this play on a paper plane

KING CRIMSON

10

the tart, juicy sweetness of pomegranate and the earthy tang of sumac are elevated by the vegetal notes of tequila, herbaceous profile of gin and then crowned with a splash of prosecco

FORAGER NO. 1

12

sophisticated and spirit-forward with remarkable subtlety, the savory flavors of mushrooms and herbaceous sage weave together with Bombay Sapphire gin, Chopin vodka, and Dolin Dry vermouth in an elegant tweak to the classic martini

ITALIAN GALGO

11

our most iconic cocktail, and a SoMa staple, combines reposado tequila, rosemary, and grapefruit

FOG HORN 11

with bourbon and vanilla for a boozier take on a london fog.
a saline air rounds out these flavors with a thematic touch

**LET ME BE CLEAR** 10

star anise tames the smoky nature of mezcal
while the delicate flavors of pear are clarified and acid-adjusted
to bring balance and a silky tartness to this one of a kind cocktail

**SPRITZ & GIGGLES** 11

a tempting twist on an Aperol spritz! strawberry and rhubarb with
prosecco and vodka make this drink easy to enjoy, no matter the weather

**ÖLD NÖRTHERN** 12

we looked the wrong way when seeking inspiration and this is what we found:
the fruity musk of apricot brandy blends incredibly with grapefruit,
adding a splash of Malört extends the profile with a strange but familiar
comfort in this unique impression of the classic sazerac

RAD NEGRONI

10

iconic cocktails are hard to improve upon.
not that we claim to, but adding an alpine influence
offers depth to make this negroni our own

roasting fennel caramelizes its natural sugars resulting in a
vegetal sweetness that, when combined with a neutral base of vodka,
bitter Cynar, and a hint of banana, creates a cocktail similar
to a chocolate martini
